

## **Are your Students' Backpacks Too Heavy?**

You are invited to attend our [Backpack Awareness Day Workshop](#) to learn how you can bring Backpack Awareness Day to your school. Kirkland Middle School has hosted this event, which was started by the American Occupational Therapy Association, for 2 years in a row. Now our team is sharing our how-to's with all of our PTAs to make it easy for other schools to do the same thing in their own communities.

### **Come learn more at the Backpack Awareness Day Workshop!**
