## Announcing Our Next Trip: Scotland and Ireland Spring Break 2018

**Unforgettable.** Ever dreamed of exploring ancient castles?! Here's your chance. Come see the land that is home to the Celtic and Gaelic tribes. See stunning landscapes with every shade of green ever imagined. Loch Ness monster? The café where JK Rowling wrote Harry Potter? Where the Titanic was built? All this and more awaits you. See history come alive on this once in a lifetime journey to 3 countries and learn about their rich cultures firsthand. What are you waiting for?!

**Tour Information:** Imagine the opportunity for your child to see history come alive and experience foreign cultures firsthand. Students will fall in love with travel as they explore these 2 amazing countries, creating memories along the way. They will become global citizens, lifelong learners and gain fantastic experience to make them more competitive for their future education. You won't want to miss out!
