8th grade graduation/celebration is going to happen this year. A committee of 8th grade parents has formed to start planning. We are currently unsure of what format it will be in (virtual or in person) and we may not know for sure until closer to the date we choose. 8th Grade baby photos for the yearbook are due by Jan 31st. Ask Yvonne for the link if needed. It was in the Panthergram previously, and will be reposted soon.
