KiMS Report

Niki Cassaro

Survey forms are due by Midnight tonight. Intramurals and some other activities are on hold while staff plan the hybrid return to school. Looking at concurrent model - same amount of face time as now. Goal is to keep students with teachers - may have to move schedules around. Priority is keeping kids with teachers if possible. All middle schools will stay on same schedules since they share teachers.

Special Guest: SRO John Ness

Announcements

Aurelia Zhou, Everyone Matters To Protect the Environment received Outstanding Interpretation for Visual Arts Middle School at Washington State PTA Reflects and is going to

***Book Fair - <https://www.scholastic.com/bf/kirklandmiddleschool>**

Joelle Harrison is the PTSA contact. Audience Question: Is there any opportunity to help buy books for kids who may not be able to afford them? Joelle Harrison will investigate.

Meeting was adjourned at 7:40 pm.
